Please have the periodic table and the allowed material ready for the test 1. (paste following links to see a copy and print)

<http://www2.latech.edu/~upali/chem121/Periodic-Table.pdf>

[1http://www2.latech.edu/~upali/chem121/Test-1-allowed-material.pdf](http://www2.latech.edu/~upali/chem121/Test-1-allowed-material.pdf)

Password for the Test 1 on will be sent to your tech email address on December 15. There is no need of a proctor for the test 1 for this online course.

Each student will get a different version of the test 1. Depending on the success of Test 1 other tests would follow the same procedure as Test 1 on set dates on the calendar.

On the day and scheduled time you will use a computer with internet access. Go to a browser (Firefox etc.) and type <http://moodle.latech.edu>, login and then select CHEM 121 (V84) Winter 17 from your courses, Then you should go to menu item, tests and select (Test 1 : Chapters 12 & 13) and you will type the password sent to you. Please do not exit or browse the web while taking the test (otherwise moodle test 1 page could get frozen) the page and keep working on the test 1 continue until you finish and submit your answers. You should see a score for the Test 1. Answers to your questions will be seen after everyone has finished taking test 1. *YOU SHOULD ONLY STAY ON THIS PAGE UNTIL IT IS SUBMITTED!!!*
